

Public Health, MPH—Accelerated (Online)

Through innovation in experiential education, research, and service, the Master of Public Health at Northeastern University (<https://bouve.northeastern.edu/health-sciences/programs/master-public-health/>) trains diverse and skilled professionals who promote and protect the health of all communities. This program is accredited by the Council on Education for Public Health (<https://ceph.org/>). CEPH is an independent agency recognized by the U.S. Department of Education to accredit schools of public health and public health programs outside of schools of public health.

MPH—One-Year Accelerated

The One-Year Accelerated MPH pathway allows students to complete all degree components in 12 months with an emphasis on public health practice and experiential learning. This is a full-time, asynchronous online program that offers an opportunity to:

- Take 9 semester hours of elective coursework from a wide range of practical, public health topics including cross-departmental offerings
- Fulfill experiential coursework
- Enjoy a supportive learning environment that includes outstanding student mentoring

Please visit Bouvé College Learning Outcomes (<https://bouve.northeastern.edu/learning-outcomes/>) for the specific student learning outcomes for this program.
