## **Grades**

Students will receive credit for courses in which they receive a grade of “High Honors,” “Honors,” “Pass,” or “Marginal Pass” but not for courses in which they receive a grade of “Fail.” If any class is designated as offered on a credit/fail basis, students will not receive credit for the class if they receive a grade of “Fail.”

## **Incomplete Grades**

The School of Law follows university policy on incomplete grades (<https://catalog.northeastern.edu/graduate/academic-policies-procedures/incomplete-grade-policy/>).
