

eSports, Graduate Certificate (Online)

The Graduate Certificate in eSports is designed for professionals in sports leadership who want to confidently enter the emerging sports sector with a deeper understanding of esports. The certificate provides a pathway to prepare sports and gaming enthusiasts through an interdisciplinary curriculum. The program is committed to serving a diverse community of students who may want to explore a nontraditional learning path as they consider a new career or who seek to continue career development in sync with changes occurring in the field.
