

Nonprofit Management, Graduate Certificate (Online)

Nonprofits today require a higher level of management expertise. Nonprofit managers are required to manage people and programs more efficiently and effectively. The Graduate Certificate in Nonprofit Management focuses on developing skills in organizational management, financial management, fundraising, grant and report writing, human resources management, and governance.

The certificate integrates theoretical approaches with practical applications to prepare students for positions in either small or large nonprofit organizations. Students have an opportunity to participate in case studies, individual and group projects, and class discussions.
