

Northeastern University Songs

Alma Mater

Music by Louis J. Bertolami, '60

Lyrics by Joseph Spear

Oh, Alma Mater, here we throng

And sing your praises strong.

Your children gather far and near

And seek your blessings dear.

Fair memories we cherish now

And will forever more.

Come, let us raise our voices strong.

Northeastern, we adore.

All Hail, Northeastern

Music and Lyrics by C. A. Pethybridge, '32

All hail, Northeastern, We sing in jubilee.

All hail, Northeastern, March proudly, ever free;

All hail, Northeastern, We give salute to thee;

Through the years, We ever will acclaim

Thy glorious destiny.
