

# Health Services, BS (Online)

The bachelor's degree in health services is designed to prepare students for a wide array of roles within the healthcare sector encompassing management, administration, public health, science, and more. Graduates may be equipped to pursue entry-level positions in fields related to healthcare administration, health science, etc. This program is directly responding to the growing demand for skilled professionals capable of navigating the complexities and evolving challenges within the healthcare system. It fosters the essential competencies required to excel in diverse healthcare environments, positioning graduates for success across a range of settings.

## Program Requirements

Complete all courses listed below unless otherwise indicated.

## Universitywide Requirement

Minimum 120 total semester hours required

Minimum 2.000 GPA required

Students must earn a minimum of 60 Northeastern University semester hours in order to receive a bachelor's degree.

*Note:* Individual program requirements may exceed the above minima.

## CPS Undergraduate Core Requirements

All College of Professional Studies undergraduate students are required to complete the CPS Undergraduate Core Requirements (<https://catalog.northeastern.edu/professional-studies/university-academics/general-education-requirements/>).

## Foundation Courses

33 semester hours required
