

Accounting, Undergraduate Certificate (Boston)

The certificate program in accounting seeks to provide a broad base of knowledge in accounting principles, including how to compile, analyze, and prepare critical business and financial records. The program is well suited for those who are interested in improving their accounting skills for a current management or bookkeeping position or for those who are seeking an entry-level position in the accounting field.

Students enrolled in the Bachelor of Science in Finance and Accounting degree program are not eligible for this certificate program. A maximum of 12 semester hours of course work may be transferred into the program.
