

# Photojournalism, Minor

As our society continues to move toward a world of technology, the power of photos become that much more important. This minor will engage students on how to visually tell a compelling story. It will give students the skill sets needed to succeed in that endeavor.

## Minor Requirements

Complete all courses listed below unless otherwise indicated. Also complete any corequisite labs, recitations, clinicals, or tools courses where specified.

*Note:* A student pursuing the minor in Photojournalism must complete a minimum of three (3) courses exclusive to this minor beyond the courses required for the student's declared major(s), minor(s), or PlusOne.
