

Student Orientation

Boston Orientation

Boston Orientation and Family Programs (<https://orientation.boston.northeastern.edu/>)
800.696.6516
orientation.boston@northeastern.edu

Boston Orientation and Family Programs serves full-time undergraduate families and students enrolled on our Boston campus for the first time. We look forward to connecting you with programs, resources, and experiences available to Boston students and families.

Husky 101 Boston Orientation (<https://orientation.boston.northeastern.edu/orientation/>) is mandatory for students. Family participation is optional and highly encouraged. After Boston Orientation and before classes begin, students will engage in Welcome Week (<https://orientation.boston.northeastern.edu/welcome-week/>) programs and events to meet and reunite with friends, explore campus and the city of Boston, and prepare for the semester.

We invite undergraduate student leaders (<https://orientation.boston.northeastern.edu/student-leadership/>) to apply and join our team to welcome new Huskies into the Northeastern University Boston campus community.

Oakland Orientation

Oakland Orientation and Family Programs
oaklandorientation@northeastern.edu

Oakland Orientation and Family Programs serves students enrolled on the Oakland campus.

Oakland Orientation is mandatory for all first-year students. Oakland Orientation and Weeks of Welcome are designed to connect you with peers and Northeastern's global network of research and experiential opportunities. During these weeks you will:

- Experience Husky Life and the Oakland campus
- Meet new classmates and university leadership
- Hear about academic areas and opportunities
- Learn about university resources and services
- Engage in student involvement programs
