

Jewish Studies, Minor

The Jewish studies minor provides a broad-based introduction to the history, religion, and cultures of the Jewish people while also offering a unique opportunity to bring students' major fields of study to bear on Jewish studies topics. In JWSS 4660 Jewish Studies Module, minors integrate their work in Jewish studies into their major field.

Minor Requirements

Complete all courses listed below unless otherwise indicated. Also complete any corequisite labs, recitations, clinicals, or tools courses where specified.
